

**Camp Maple Leaf – CoVID-19 Policy:**

Camp Maple Leaf believes in making the safety and security of all campers, staff, volunteers and families our top priority. In regard to Covid-19 we will keep operating under the specific provincial guidelines and recommendations, along with the recommendations of the OCA (Ontario Camps Association).

As these guidelines and recommendations are changing on an ongoing basis, we will release our specific operational CoVID-19 protocols and policies closer to the operation of our programs. In the meantime, if you have any questions please don't hesitate to reach out to our Camp Registrar Julie Deschambault at [Julie@campmapleleaf.ca](mailto:Julie@campmapleleaf.ca)
